

Your help is urgently needed for Togo, Africa students!

Due to Covid 19 our Togo students have not been in class since the middle of March. Kevin Kangni-Soukpe, Togo Administrator, has proposed a month-long tutoring session for all students that must take a national qualifying examination. If they fail these exams they would not have a chance to move forward in their education. Unfortunately, Togo students don't have the luxury of staying current with their studies through distance learning. Kevin has requested \$7,860 to help 150 Togo students.

We are asking for any financial help that you can give. We do have a grant that will match all funds collected. Time is of the essence. Please send cash or checks to St. James Church, 3909 Harrison St., KCMO 64110. Make checks out to St. James with a notation at the bottom for Togo Tutoring. If you wish to contribute on-line make a notation in the information box that this is for Togo Tutoring. Please e-mail me with the amount that you would be able to contribute – that way we can let Kevin know what to expect – canders71@yahoo.com. We were just notified that tutoring will begin the week of June 22, so we would appreciate having all money collected by the end of the month.

Blessings & Peace,
