Solemnity of Christ the King—November 21, 2021

Cantor: O Lord, hear our prayer.

- For the church: that we may demonstrate to the world the self-giving reign of God for all people. *We pray,*
- For the fulfilled vision of a *peaceful world* for all nations, especially those where violence is constant. *We pray,*
- For the fulfilled vision of a *just world* for all people, especially the poorest and most marginalized. *We pray,*
- For the fulfilled vision of a *truthful and trusting world*, especially among those most suspicious of one another. *We pray,*
- For the fulfilled vision of a world *in which differences are embraced and celebrated.* *We pray,*
- For continued gratitude as we commemorate Thanksgiving; and for internal peace and perspective as we navigate this hyper-commercial holiday season. *We pray,*
- For all in this community who are sick, lonely, depressed or in any kind of need; for those who will be alone this Thanksgiving; and for those to whom we seek to show God's self-giving love through our parish ministries. *We pray,*
- We pray now for our own needs and for the grace to be living examples of God's love in the world (*pause*). *For all these things, we pray,*
