## ~ St. James Parish Updates ~

- **THANK YOU!**

Thanks to all the parish members who were able to stay after Mass last Sunday to take down our Christmas decorations. It went very well and quickly. We have left some decorations to emphasize three areas in our church: the altar, the ambo, and the presider's chair.

- **BETWEEN THE CRACKS FUND QUARTERLY REPORT**

For the months of October, November and December 2021, St. James helped with MEDICINE, RENT and UTILITIES.

Thank you for your continuing and generous support.

- **SUPPORTING TROOST BUSINESSES**

Remember in August when it was warm? St. James celebrated its 115th Founding Anniversary. The Silent Auction items were donated by several small businesses on Troost. Now, it is cold and the Covid virus is still with us. Several of our donors are struggling financially. Please drop by one of these small businesses on Troost and order a cup of coffee, a muffin, or a \$2,000 quesadilla! (There's a story there! Watch for further details.) Let's all help take care of each other.

- **PEACEWORKS SUPPORTS NUCLEAR BAN TREATY**

On Sat., Jan. 22, PeaceWorks-KC will host an outdoor rally and car caravan marking the first anniversary of the "entry into force" of the international **Treaty on the Prohibition of Nuclear Weapons**. We will meet at 12:45 pm in the parking area near Main and 46th St., behind office buildings overlooking Mill Creek Park. In addition, here's a link to the Archbishop of Santa Fe's Pastoral Letter in support of the elimination of nuclear weapons—

This letter supports Pope Francis' stand against nuclear weapons.

## *Reflection from Fr. Mike Roach*

This weekend, the reading from Paul's Letter to the Corinthians reminds us of the particular gifts given to each of us and how we can use those gifts together to build the Body of Christ. As Jesus begins His public life, our Gospel from John is about the changing of water into wine at the Wedding in Cana.

I think it's interesting how we begin Ordinary Time of the Church year with a miracle. Mary and Jesus were at a wedding celebration, and like any wedding, a lot of work (and stress) had gone into this event. When Mary realizes they are running out of wine, she approaches Jesus for help. He simply says, 'How does this concern of yours affect me?'. Mary simply ignored that and told the stewards to fill the jars with water. She just expected Jesus to perform this miracle, which Jesus did. It's a very common story---at any wedding celebration we have attended, a tremendous amount of work has gone into planning the celebration. In my firsthand experience, after almost two years of COVID, I have counselled and consoled engaged couples whose wedding plans had to be drastically changed or cancelled due to the guidelines of the health mandates of not being able to gather together.

But after tons of planning and changing dates, most of them were able to proceed with the celebrations. Not quite what they had planned--but they still were able to have beautiful gatherings with family and friends. This all happened because everyone came forward sharing their own gifts which helped the engaged couple carry out their wishes.

This is the message of today --a simple message that we need to reach out and care for one another as well as take seriously our own health and safety concerns. These past almost two years have been a difficult time for many folks. But hopefully we have learned to cherish one another and realize we have a responsibility to help each other in need.

This weekend, as we remember the life of Dr. Martin Luther King, Jr., we are once again reminded to respect each other, build one another up and not let issues of race or color divide us. May we all share our own gifts to build this community of faith together.

As Mary told the stewards, do what He (Jesus) tells you.

*~ Peace,  
Fr. Mike*
