

Intercessions

Third Sunday of Lent—March 20, 2022

Cantor: Oyenos. mi Dios....

- For the whole church: that we may live as a clearly repentant and merciful people. *We pray,*
- For all those throughout the world experiencing pain and suffering from the actions of others, especially on the “holy ground” of Ukraine. *We pray,*
- For our nation and all nations struggling to assist Ukraine without intensifying and spreading war; for wisdom and courage. *We pray,*
- For renewed faith among all who feel that God does not know or is unable to address evil or human suffering. *We pray,*
- For everything in our lives that needs cultivation and fertilization in order to bear fruit; and for individuals and programs that support and help us. *We pray,*
- For those among us in any kind of need or suffering—especially the unseen; and for those we are committed to serve through our parish ministries. *We pray,*
- We pray now for our own concerns and for the courage and generosity to stand with those who suffer (*pause*). *For all these things, we pray.*
