

Intercessions

Palm Sunday—April 10, 2022

Cantor: Oyenos. mi Dios....

- For the whole church and for all Christians called to continue the mission of Jesus in a most challenging world. *We pray,*
- For lasting peace between, among and within nations, religions, political parties, neighborhoods, and families in this deeply polarized historical moment. *We pray,*
- For those who still bear false witness against others, who condemn, convict and punish the innocent. *We pray,*
- For all who feel abandoned to poverty and/or violence in Ukraine, Afghanistan, Yemen and a list of countries across the world far too long to enumerate here. *We pray,*
- For those who remain faithful in the darkest moments—who embrace suffering for others—who face evil without fear. *We pray,*
- For those in this community who may feel abandoned or overwhelmed; and for all who need our love and support—in midtown, in the metro area, or beyond. *We pray,*
- We pray now for our own needs; and for quiet hearts and minds as we enter this holiest of weeks (*pause*). *For all these things, we pray.,*
