

Hello Activists,

*I wanted to invite you, your family, and friends to our Annual MADP Christmas Card/ Holiday Card party. This event is usually at our house but due to Kevin Johnson's execution we will have it at St. James Catholic Church (39th and Troost) in the basement as that is where the Watch will be. **We will vigil peacefully at 39th and Troost on Tuesday November 29 from 4:00pm-5:00pm with our signs Please bring your own, as we only have a few. We will then gather in the basement of St. James for dinner and MAYBE Christmas Cards.***

The DOC has put a ban on letters, and everything has to go through JPAY which is an electronic system... I am trying to get special permission from DOC to get cards sent in to the prison for our party. If we can't do physical cards we can send notes through JPAY.

While it remains very hard to be activist in this country....we must continue to support the anti-death penalty movement and support one another as activists. Kevin Johnson in our inspiration as he stays positive and hopeful.... his execution is only 13 days away.

In Solidarity,

Susie Hope Roling and Charles Meniffee
