

Yes,
I'll be there!

Protect your health so you can keep doing what you love.

Vaccines are a safe and effective way to protect your health against respiratory viruses. Although getting vaccinated doesn't guarantee you won't get COVID-19 or the flu, symptoms are usually milder for those who have been vaccinated if they do get sick, compared with those who did not get the vaccine. Vaccinated individuals, especially those over age 65, are also more likely to stay out of the hospital and have a lower risk of death from COVID-19 or the flu.

Are you ready to get your FLU and COVID shots?

Get vaccinated and receive a \$20 gift card!

Wednesday, December 20, 2023

11:00 a.m. – 1:00 p.m.

St. Therese Little Flower Catholic Church,
5814 Euclid Ave, Kansas City, MO 64130
