

**Intercessions**  
**Feast of the Epiphany—January 7, 2024**

**Cantor: Chu Kwu Nu Lu Olum**

- For the church: that it may provide light for those seeking meaning in a dark, difficult world. *We pray,*
- For those who do not know that God's presence is found in simple, unassuming, unexpected places. *We pray,*
- For the appropriate use of power to promote truth, the will of the people, the common good, and the needs of the most vulnerable. *We pray,*
- For those who cannot find God in the violence of war, at border walls, in abject poverty or debilitating pain. *We pray,*
- For light among all who are exhausted from the challenges of the past year, who may be held hostage by fear or doubt for the future. *We pray,*
- For all of us in this community, especially those yearning for meaning, healing and light; and for those whose needs we seek to serve through our love and our parish ministries in this sacred corner of the city and beyond. *We pray,*
- We pray now for our own concerns; and for the grace to be light to those who are in any kind of darkness (*Pause*). *For all these things, we pray,*
