

**Intercessions**  
**Second Sunday of Lent—February 25, 2024**

**Cantor: Oyenos, mi Dios.**

- For the whole church: that we may be constantly open to however God continues to be revealed to us. *We pray,*
- For all those struggling with faith—with if, and who, and where God is. *We pray,*
- For perseverance when faith stretches us beyond our limits, or God seems to require more of us than we can give. For those called to have faith in the face of great human suffering. *We pray,*
- For those whose faith is linked to prosperity, personal authority or political power. *We pray,*
- For those who persecute others who understand God differently, or whose understanding leads them to war. *We pray,*
- For all of us in this community, especially those whose struggles cause them to lose faith; and for all those we are called to serve through our individual and parish ministries, regardless of their faith. *We pray,*
- We pray now for our own needs, and that our awareness of who God is may be strengthened during this Lenten season (*pause*). *For all these things, we pray,*
