

Intercessions
Feast of the Epiphany—January 4, 2026

Cantor: Chu Kwu nu lu olum

- For the church—that it may profoundly witness to the unexpected light of Christ as a gift to all people. *We pray,*
- For those who sit in personal darkness, unable to experience anything new or unexpected. *We pray,*
- For St. James, as we discern how we can witness to Christ as a light for others with our particular strengths and limitations. *We pray,*
- For all who wonder if America will again be light for those seeking refuge here—especially people of color; and for those taking great risks to protect and assist them. *We pray,*
- For the curtailing of this administration’s illegal actions in Venezuela for oil and minerals. *We pray,*
- For this community—especially those who are sick or alone; for those exercising leadership on our behalf; and for the ability to find those most needing light in their lives, so we may serve them through our ministries. *We pray,*
- For our own needs and concerns; and for the ability to keep our eyes on the stars *(pause)*. *For all these things, we pray.*
