

**Intercessions**  
**Second Sunday of Easter Sunday—April 12, 2026**

**Cantor: Chu Ku Nu Lu Olum**

- For the church, that carries on its mission and support, though it has not seen but believes. *We pray,*
- For all those who struggle to believe in the Risen Christ—who need to be able to see to believe. *We pray,*
- For St. James, as we seek to move forward as a community—working our way through what we do not know. *We pray,*
- For leaders who can move us out of the quagmire of war into actual peace. *We pray,*
- For leaders who recognize the potential danger of unbridled artificial intelligence and will work to regulate it. *We pray,*
- For this community—especially the families of children experiencing Baptism and First Communion today; and for those we seek to serve in this Cathedral of the Streets. *We pray,*
- For our own needs and concerns, and for the possibility of our believing what we ourselves cannot see (*Pause*). *For all these things, we pray.*
